

How to save money on car insurance

With rates going up nationally, now is a great time to understand how you could lower your premium.

1 BUNDLE POLICIES

You could save if you have more than one type of Nationwide policy.

2 SIGN UP FOR SMARTRIDE®

Based on your driving, you could earn a discount up to 40%¹

3 GO PAPERLESS

Sign up for paperless documents and you may get a recurring discount.

4 RAISE YOUR DEDUCTIBLE

Usually your monthly premium goes down when your deductible goes up.

5 SAFETY CAN SAVE

You may save money down the road just by driving safely.

So slow down, don't text and drive, and watch out for the other guy!
